

Children's Area: The School Council

The School Council consists of ten junior boys, two from each of the five junior classes (Prep. 1, Prep. 2, Prep. 3, Prep. 4 A and Prep. 4 Alpha). They were democratically elected by their peers to represent all the pupils in the school, including EYFS and infant children.

Founding Principles

The founding principles of the Council are:

1. We put Christ at the centre of our discussion and work, by meditating for two minutes at the beginning and end of our meetings.
2. Whatever we discuss or do, must be for the benefit of all.
3. Our discussion and work is done with an open heart, in the spirit of true service.
